

Gibson County 4-H Chick Chain Record Books

Congratulations on your new chicks! I hope you will enjoy watching them grow and learn a lot along the way!

This record book is intended to help you keep track of your progress, goals, expenses, and earnings throughout your Chick Chain project. The completion of this record book is MANDATORY for everyone participating in this project.

Rules:

- Record books **MUST** be turned in on the day of the show.
- Should you be eligible for prize money at the show and **HAVE NOT** turned in a completed record book, you will not receive your prize money until your book is turned in.
- Please do not take the record book apart unless you need to add pages (additional pages can be found at: extension.tennessee.edu/gibson)
- Use the plastic sleeve located inside of your record book to hold receipts and any additional documents.
- There are two surveys in each record book; a participant survey and a parent/guardian survey. These surveys are divided into Pre and post project sections. Please complete these surveys honestly in order to help us improve the Chick Chain program. You will be asked on the day of the show to place your survey in an envelope to insure confidentiality.
